Dear Ms. Bendle,

Thank you so much for your continued support of Trillium Health Partners. Your generosity is helping to ensure that our health care teams have the tools and facilities needed to continue providing exceptional care to our patients, and for this we are grateful.

Our Foundation is currently in the process of updating our donor recognition walls, which are prominently located at all three of our three hospital sites – Credit Valley Hospital, Mississauga Hospital and Queensway Health Centre. In recognition of your cumulative giving to our hospital, we would be honoured to recognize you at the Community Circle level which celebrates donors who have given between \$10,000 - \$24,999.

We currently have your name listed in our records as *River Grove Seniors Friendship Club* and request that you confirm by **Friday, August 27, 2021** that this is how you would like your name to appear. If you would like your name listed differently or prefer to remain anonymous, please send back the enclosed form in the envelope provided and we would be happy to make this update. If we do not receive a response from you by the requested date, we will proceed in recognizing you as indicated above.

On behalf of the countless families in our community who have and will continue to benefit from your gift to our hospital, thank you for your commitment to transformative health care.

With our gratitude,

Alison Walters
